Dear

Re: Lea Valley High School Learning Gateway

We are launching a new website which will allow Parents and Carers to obtain live information about their child's learning at Lea Valley High School. The system will enable you to see a vast array of information including:

- Morning/Afternoon attendance information
- Lesson Attendance information
- Behaviour and achievements
- Timetable information
- Contact details held for you and your child
- Letters from the school

The system will grow over the coming months and become a vital way for you to engage with your child's learning. If you would like to gain access to this system please complete the form below. You will then be posted a username and password to enable you to access the system.

Yours sincerely

Jason André
